

فرمی مانند فرم زیر طراحی کنید که اسامی متقاضیان را در یک Jagged array ذخیره نماید و پس از ورود دیتا در تکست باکس مربوطه خروجی را نشان دهد.

The screenshot shows a Windows application window titled "Form1". Inside the window, there is a label that reads "the number of free space in room: 3". Below this label is a text input field with the placeholder text "enter your name:". To the right of the input field is a small blue cursor. Below the input field are two buttons: "show" and "save". At the bottom of the form is a large empty rectangular box. The background of the application shows a menu bar with "Edit", "View", "Project", "Build", "Debug", "Team", "Format", "Tools", and "Test". Below the menu bar, there is a dropdown menu showing "Any CPU" and a "Thread:" label.
